**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential broadband user, and am upset that competition will be stifled. We need as many choices as possible so that Americans can access the Internet at reasonable prices. It is disturbing that the FCC can be manipulated by large companies and their lobbyists into cutting off the smaller Internet providers.

Thank you.
